

Personnel Stands & Walkovers

Model B-EPS-24/30/36

Berry builds custom Personnel Stands and Walkovers as well as a variety of standard models from which to choose. The **B-EPS-24/30/36 Ergonomic Personnel Stand** reduces back strain and fatigue by providing easy individual height adjustment to each person on your line.

Construction:

The **Berry Personnel Stands and Walkovers** are designed for maximum safety and ease of operation and manufactured of stainless steel with fiberglass grating for rust resistance and easy cleanup.

Ergonomic Personnel Stands are available with standard 28" width and 24" height with lengths of 24", 30" or 36". Each has an adjustment range of 15" and a capacity of 300 pounds. However, custom sizes and specifications are available for your specific needs.

Fixed Personnel Stands and Walkovers can be designed in any size and configuration.

The specifications as stated herein are the most current at the time of publication. However, consistent with our standard of continual product development, we reserve the right to change the design without notice or obligation to modify any equipment previously sold or delivered. 02/22/2012
